

LATER FROM EUROPE.

ARRIVAL OF THE CANADA.

The steamship Canada, with Liverpool dates to the 19th inst. being one week later than the previous arrivals, arrived here this morning.

The Liverpool Cotton market had slightly advanced. The Liverpool Wool market was about the same.

The Battle of Monmouth.—The Monmouth papers had warranted in saying that the display on the 28th inst. will surpass everything of the kind ever before attempted in New Jersey.

Notice in Dover.—You are hereby notified that application will be made to the Circuit Court of the County of Kent on Thursday the 6th day of July next.

Exclusion of Adopted Citizens from Office in Philadelphia.—As that portion of Judge Conrad's address, (delivered on the occasion of his inauguration as Mayor of Philadelphia, on Tuesday last) relative to the exclusion of adopted citizens from the Police appointments, is attracting much attention, and exciting a good deal of criticism pro and con, we copy below his remarks on that head, in extenso:

Careful and anxious investigation and reflection, since the election, have impressed me with the conviction, that in the present state of public sentiment, and under existing circumstances, any police force in this city, to be safe in itself, or a security for others, must be constituted of men known as born in this country.

The New Hydrophobic Family Physician.—Medical Adviser and Ready Prescriber, with references to the Nature, Causes, Prevention and Treatment of Diseases, Accidents and Casualties of every kind, with a Glossary of Medical Terms, and a list of the whole illustrated with nearly Three Hundred Engravings and Colored Frontispieces.

The Flag Covers the Cargo.—FREE Goods and no payment of duty for the cargo of the ship, I mean the cargo of the ship, I mean the cargo of the ship.
