SWEET HOUR OF PRAYER

Sweet hour of prayer! sweet hour of prayer! That calls me from a world of care, And bids me at my Father's throne Make all my wants and wishes known: In seasons of distress and grief, My soul has often found relief: And oft escaped the tempter's snare By thy return, sweet hour of prayer, And oft escaped the tempter's suare By thy return, sweet hour of prayer.

Sweet hour of prayer! sweet hour of prayer Thy wings shall my petition bear, To him whose truth and faithfulness, Engage the waiting soul to bless, And since he bids me seck his face, Believe his word and trust his grace. I'll cast on him my every care, And wait for thee, sweet hour of prayer. Sweet hour of prayer! sweet hour of prayer

May I thy consolation share; Till, from Mount Pisgah's lofty height, I view my home, and take my flight: To seize the everlasting prize; And shout, while passing through the air. Farewell, farewell sweet hour of prayer.

ALFRED CENTRE, NEW YORK. The change of scenery between this place and Cumberland, is truly enchanting We left our quiet home at Shiloh, on Monday, the 25th of August, and called to see our friends for the last time. probably, at the encampment, at Woodbury, and I was pleased to see the order and neatness that prevailed. It was far superior to other places I have visited since. After staying one hour we went to the city, where we spent two hours then taking the boat for Ticonia. We were soon landed in Trenton. There we were compelled to wait one hour and a half. The crowd being dense around the warm, we found it very uncomfortable indeed. Rinally the time cante, and we started behind the iron horse for Belvi dere, Warren County, N. J., arriving at 9 o'clock. We found a very pleasant, quiet resting place at the two truly pleasant. The surrounding scenery was truly enchanting, and it would be impossible for a person to tire in looking at this romantic spot-being surrounded with hills covered with verdure, and here and there dotted with beautiful residences, makes it one of the most beautiful places to be found in New Jersey .-But I need not attempt a description, for

Notwithstanding the excitement of the times and the absence of many who would attend had they an opportunity, it is hoped and believed that the attendance will be large. Cumberland County has always made a "respectable show" at her County Fairs, and the coming one will doubtless be well worthy the attention and patronage of the

When the enemy were thus found drawn up in line of battle, on their chosen position, the engagement at once became general and fierce. The musketry fire, as described by officers who were wounded and are now here, was the most continuous and sustained of the war. Messrs, Potts & Kle t, Camden, N. J.
Dear Sir—We some time since informed you of our purpose to so organise our system of agencies in all agricultural counties that you could devote your works to the exclusive manufacture of Rhodes' Super Phosphate. Works to the each and the Phosphate.

This we have successfully accomplished, and are now prepared to engage your full capacity for Rhode's Standard Manure, in accordance with our arrang -

standard annute, in accordance with the minds of the farming community of the Eastern States—indeed, an utter want of confidence—in special manures, permit us in this connection to suggest to you to extend, in your capacity as manufacturing chemists, such grarantees of purity, etc., as in your good indigment will enable us to eatisfy the minds of intelligent agriculturists.

independ will enable us to satisfy the minds of intelligent agriculturists.

In the large planting sections, where Rhedes' Manure has been used for many y ars, there is no occasion for such assurance; but from all we gather during extended visits among Eastern farmers, find they have ample ground for fears—owing, doubtless, to ignorance and want of manufacturing skill on the part of those who have been farmishing these sections.

Yours, truly,
