

The Pioneer.

Bridgeton, April 30, 1864. THE PIONEER HAS A LARGER CIRCULATION THAN ANY COUNTY PAPER IN THIS STATE.

Only \$1.25 per Year in Advance! JAMES B. FRERSON, Editor.

REMOVAL!

On and after Monday May 1st, the PIONEER office will be located in Albertson's new building, opposite our present place of business.

THE COMING ACTION.

An exchange has some very appropriate and sensible remarks in reference to the situation of our armies and military condition generally. Everywhere there are some timid and doubting temperaments in whom the inaction of our armies and the quietude which characterized the last three or four months, have produced, and still continue to produce, a degree of alarm and apprehension more unwarranted, it seems to us, than at any other former period of the war.

Who of us have not noticed the mysterious, the awful stillness which precedes the impetuous burst of the devastating tornado? The elements in ominous silence collect their mighty energies, only to hurl them with greater force when the work of preparation is ended.

On Tuesday last, Mr. Joseph Lee, of Greenwich township, in this county, was burned to death. His wife had gone to the store and by his request, left a match and cigar with him at the table.

SPECIAL NOTICE—By Divine permission, the First Quarterly Meeting will be held in Bridgeton and Friendship Circuit Methodist Protestant Church, on Saturday and Sabbath next, April 30th, and May 1st, 1864.

T. TAYLOR HEISS, Pastor.

MURDER.—A man who had been in the rebel army and lately in the neighborhood of Sulphur, in this county, was killed on Thursday last by Charles Ogden, with whose wife the rebel had been interfering.

The Northwestern Reserve Army. It is with great pleasure we note that Governor Lewis, of Wisconsin, Yates, of Illinois, Stone, of Iowa, Morton, of Indiana, Brough, of Ohio, and Blair, of Michigan, jointly tendered the President of the United States 100,000 men, to be organized into a reserve army.

This is a move in the right direction, and will be hailed with joy by every lover of his country. Our armies in the East, and in the West, urgently need reinforcements with veterans. Lee's army has been heavily re-enforced, within the past two weeks, by the whole of Longstreet's veteran corps.

It is hoped that Cumberland County will not be behind her sisters in contributing to the great fair to be held in Philadelphia, in June next.

Let every woman consider herself an especial committee, to labor for this great cause, and we have no fear of the result; and let none withhold their donations because they are not large; if every one who is able, will send only a small gift, in the aggregate we shall have a large contribution.

DR. WISHART'S PINE TREE TAR CORDIAL. Consumption has destroyed more of the human family than any other disease, and the best physicians for many years have despaired of a cure, or a remedy that would heal the lungs, but for more than two hundred years the whole medical world has been impressed that there was a mysterious power and efficiency in the Pine Tree Tar to heal the lungs; therefore they have recommended the use of Tar Water, which in many cases had a good effect; but how to combine its medicinal properties so as to heal the lungs, has ever been a mystery until it was discovered by Dr. L. Q. C. WISHART, of Philadelphia, Pa., the proprietor of Wishart's Pine Tree Tar Cordial, and has been put in bottles, patented by the United States government. We say to the afflicted that Dr. Wishart's Pine Tree Tar Cordial will produce the INVIGORATION OF THE DIGESTIVE ORGANS, THE STRENGTHENING OF THE DEBILITATED SYSTEM, THE PURIFICATION AND ENRICHMENT OF THE BLOOD, which must expel from the system the corruption which scrofula breeds. While this is effected by the powerful alterative (changing from disease to health) properties of the Tar Cordial, its healing and renovating principle is also acting upon the irritated surface of the lungs and throat, penetrating to each diseased part, relieving the pain, subduing inflammation and restoring a healthy tendency. Let this low-fold power, the healing and the strengthening, continue to act in conjunction with nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

DR. WISHART'S PINE TREE TAR CORDIAL IS AN INFALLIBLE CURE FOR SORE THROAT AND BRONCHITIS. DR. WISHART'S PINE TREE TAR CORDIAL IS A GREAT REMEDY FOR SCROFULA, BLIND AND BLEEDING PILES, BRONCHITIS, AND ALL AFFECTIONS OF THE LUNGS AND THROAT, PENETRATING TO EACH DISEASED PART, RELIEVING THE PAIN, SUBDUING INFLAMMATION AND RESTORING A HEALTHY TENDENCY. Let this low-fold power, the healing and the strengthening, continue to act in conjunction with nature's constant recuperative tendency, and the patient is saved, if he has not too long delayed a resort to the means of cure.

THOUSANDS HAVE BEEN CURED OF THE ABOVE DISEASES WHEN ALL HOPE OF EVER RECEIVING RELIEF WAS GONE. INFLAMMATION OF THE LUNGS. INFLAMMATION OF THE LUNGS. INFLAMMATION OF THE LUNGS. There is not a medicine discovered that has so much power to dissolve the thick mucus that stops the wind passages of the lungs as the Pine Tree Tar Cordial, which subdues the fever and inflammation that destroy the power and vitality of the lungs and consign the patient to the grave. We say to all whose lungs are affected with Dr. Wishart's Pine Tree Tar Cordial with great confidence, as it has cured thousands of cases to health that were hopelessly given up to die.
