Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public: and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and re-storative agents in the VEGETABLE KINGDOM. It restores GRAY HAIR color. It makes the scalp white and clean: cures dandruff and hamors, and falling out of the hair; and will make it grow upon batch heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three more and tast tonger than three bottles of any other preparation.
It is recommended and used by the First Medical Authority.
The wonderful results produced by our Sicilian Hair Renewer have ctaining they were former part-ners, or had some connection with our Mr. Hall, and their prepara-tion was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with contiluates. equation. Our arcatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.

He spoke but little after the arrival of the physician, and in a few brief moments, the man who an hour before had been the impersonation of the most vigorous health was a pallid corpse. Dr Potter after a careful examination of the symptoms pronounced the immediate cause of his death to be congestion of the heart, which was probably superin

duced by the exhausting labors and excitements of his position as State Senator Mr Ludlam was descended from one of the most honorable families of Cape May county. In a volume presented by the deceased to the writer of this *ketch a few weeks since, is found a record of them as among the early settlers upon Dennis Creek, and they have always exercised a strong influence in the affairs of that coun y Providence Ludlam, their descendant, was essentially a self made man A large part of his early life was passed in Allowaystown, where he learned the business of a cabinet maker. Only a few days before the sad event we have chronicled, he was speaking of this fact in his early history, and added, in his pleasant manner, that the cabinet maker's shop was the only college where he had the privilege of graduating. It is a credit to his abilities that with so few early advantages he could have risen to to the influential positions he has occupied, and an equal credit to his manliness that he was never ashamed of the fact. He married Miss Coe, an estimable lady, who has traveled with him the pathway of manhood's life so far, and who, broken both in health and heart. still survives him. After this he engaged in farming in Hopewell township, in which occupation he continued until he was nominated for the Assembly, on the American ticket; which ticket was defeated. In the following year was elected clerk of the county, which he held for five years. THE SPIRIT MAKE THE MAN. By our National Poet, Dr. George Allen Spangler A youth devoid of spirit bold, None of life's beauties to untold, Is like a being chained to earth— To friends or self of little worth. Not only to himself a blank, Left with the idle for to rank, The bane of every one he knew, The boy of downcastlook and hue.

'Tis mostly caused in boyhood's hour, Which in the bild, makes spirit cower, Attempts to sway by domineering--A vain attempt at children's rearing. Or making them go shalby dressed. Spurned by the good you'll find them pressed, While envying other lads well clad, The lost companions of the bad. The lost companions of the oad.
So, if you would advance your sons,
Go rig them out at Henderson's:
Their downcast spirits he'll uplift,
